# Aloe & Calendula Calming Mist

## Description:

A soothing blend of aloe, calendula, elderflower, rose and seawhip extracts to help calm the discomfort associated with rosacea and sensitive skin.

## Skin Type Indications:

Redness or irritation

## Benefits:

- Extracts moisturize and soothe irritated skin
- Marine extracts help to reduce inflammation
- Aloe extracts promote healing and calming effects

Retail - 4 fl oz (118 ml)

Feature Ingredients	Known Benefits
Marmoisit (Chondrus Crispus extract)	Hyauronate and sea plant extract improve texture of skin and bind large quantities of water to instantly hydrate and soften dry skin
SepiCalm VG (Sodium palmitoyl proline and Nymphaea alba flower extract)	Inhibits inflammatory pigmentation, soothes sensitive and irritated skin, and inhibits inflammatory mediators
Sea Whip (Pseudopterogorgia Elisabethae) extract	Rich in powerful anti-inflammatory compounds called pseudopterosins which inhibit the arachidonic acid cascade
Aloe Vera Gel (Aloe Barbadensis Leaf extract)	Rich in mucilaginous polysaccharides including acemannin (one of the active metabolites of Aloe); wound healing, stimulates fibroblast growth, angiogenesis, and re-epithelialization; reduces inflammation and increases collagen synthesis
Calendula (Calendula officinalis) extract	Contains Lutein, zeaxanthin, flavonoids, glycosides of oleanolic acid and , phenolic acid. It has Emollient, wound-healing, soothing, antiseptic, anti-itching, and anti-inflammatory properties. It is mild enough for all skin types.
Chamomile extract [Chamomilla Recutita (Matricaria) Flower]	Anti-inflammatory and repairing properties; contains azulene, bisabolol, and phytosterols
Elderflower (Sambucus Nigra Flower) extract	Mild astringent that benefits dry skin
Rose (Rosa Centifolia Flower) extract	Mild astringent

## Directions:

After cleansing and applying Rose-Ease Relief Cream, close eyes and lightly mist face. Can be used throughout the day as desired.
